“MeshGrid: Envisioning a New Energy Future ” Special Presentation (30 min).

Dominic Barbato
Director, Strategy - Energy & Sustainability Services (Schneider Electric)

Abstract: For more than 100 years, the core business model of the global electric power industry has remained largely unchanged. In the future, countless interconnected assets accelerated by technology and business model innovation will create new opportunities for prosumers to interact in a burgeoning superorganism Schneider Electric refers to as the MeshGrid™ ecosystem.
