## MEDIA RELEASE

### Erin Walker of TELUS is named to the CABA Board of Directors

**February 22, 2023** — The Continental Automated Buildings Association (CABA) Board is pleased to announce the appointment of Erin Walker of TELUS to the [CABA Board of Directors](#).

“I am honoured and humbled to be part of this forward-thinking and industry-leading board of directors that helps increase collaboration in the smart building space,” said Erin Walker, Director of TELUS Residential Smart Communities. “TELUS and CABA share a common vision to deliver a more livable and efficient world and I am excited to work with the other board members to deliver on this goal.”

Erin Walker is a seasoned executive with 20+ years’ experience creating and leading diverse national teams to deliver exceptional growth while transforming cost structures. Now spearheading TELUS’ Residential Smart Communities line of business, she helps TELUS deliver industry-leading security and automation solutions to transform the buildings in which Canadians live, work and play. Erin received Business in Vancouver’s Forty Under 40 Award in 2019 and currently co-chairs the TELUS Security & Automation Diversity Council.

“Erin Walker’s breadth of executive experience spanning strategy, marketing, product management, operations, community investment, people and culture is an invaluable contribution to CABA’s board,” said Greg Walker, CEO of CABA. “We’re looking forward to working together to create healthy, sustainable and connected buildings fueled by the power of technology.”

#### About Telus

TELUS (TSX: T, NYSE: TU) is a dynamic, world-leading communications technology company with \$17 billion in annual revenue and 17 million customer connections spanning wireless, data, IP, voice, television, entertainment, video, and security. Our social purpose is to leverage our global-leading technology and compassion to drive social change and enable remarkable human outcomes. Our longstanding commitment to putting our customers first fuels every aspect of our business, making us a distinct leader in customer service excellence and loyalty. The numerous, sustained accolades TELUS has earned over the years from independent, industry-leading network insight firms showcase the strength and speed of TELUS’ global-leading networks, reinforcing our commitment to provide Canadians with access to superior technology that connects us to the people, resources and information that make our lives better.

### About CABA

CABA is an international not-for-profit industry association dedicated to the advancement of the connected home and intelligent building technologies. The organization is supported by an international membership of over 380 organizations involved in designing, manufacturing, installing, and retailing products relating to integrated home and building technology. Public organizations, including utilities and governments, are also members. CABA's mandate includes providing its members with networking and market research opportunities. CABA also encourages the development of industry standards and protocols while leading cross-industry initiatives. More information is available at [www.CABA.org](http://www.CABA.org).
