CHC Webinar

“Residential Battery Energy Storage”

Special 30 min Keynote Presentation by Frost & Sullivan

Jonathan Robinson
Global Power & Energy Research
Director

FROST & SULLIVAN

Description: Join us for an exciting webinar featuring Jonathan Robinson, a leading expert from Frost and Sullivan. During this webinar, Robinson will provide valuable insights into key market trends and metrics, a competitive overview, distribution trends, and growth opportunities in the residential battery energy storage market. You'll gain a comprehensive understanding of this dynamic industry, including emerging technologies and innovative business models. Whether you're a homeowner interested in energy storage solutions, a business owner looking to invest in the energy market, or an industry professional seeking to stay up-to-date on the latest trends, this webinar is not to be missed.

Join us for an informative session and get ready to be inspired by the potential of residential battery energy storage. Register now to secure your spot and take the first step toward unlocking the power of renewable energy.
