Alan R. Bugos
CTO & COO

Description: As more older adults choose to age in place, connected homes are becoming central to health and wellness. This presentation will explore how broadband, IoT, and smart technologies enable “connected care” solutions that extend beyond clinical settings.

Alan Bugos, Chief Technology Officer and COO at LifePod Solutions, will discuss how wearables, smart devices, and advanced health data analytics are reshaping care—bridging the gap between office visits and daily life, reducing costs, and shifting healthcare from reactive to proactive.
